 Editors' Notes 1:

The **Public Libraries Act**, R.S.O. 1990, c. P44 s. 23(3)c gives library boards the authority to set fees for the use of library services by persons who do not reside in the area of the board's jurisdiction in which case the circulation policy would need to include statements that define non-resident members and the schedule of non-residents fees. Some libraries exclude groups from having to pay a non-resident fee even if they live outside of the municipality, for example students, residents of a municipality with which the libraries have a reciprocal borrowing agreement, employees working in the municipality, or property owners.

Also note that a library can not charge a fee to residents of a municipality that contract with them for library service. *The prescribed conditions for library operating funding do not permit a library to charge fees to residents of contracting municipalities. See subsection 30(2) of the Public Libraries Act and Regulation 976*
