

Why Register for Programming ?

Filling out a Registration Form allows your child to attend any of our After School and Summer Programs . It's intended to provide contact information to library staff, photo consent, and any relevant health information.

Where to Register ?

If new to the program, registration forms are available at the Circulation Desk and for print on our website. Forms should be filled out and returned before the first club attended by a child. Form can be returned (by parent or child) to Jesse during club times or the Circulation Desk during operational hours. Parents of returning participants can update forms prior to start of summer programming.

CANDY JAR DRAW

Every child that participates in any of the reading club (Story and Craft French or English, Daycare Story Time, L'heure du conte) will have their name entered into a draw to win the Candy Jar. Any time a child reads a book, a candy gets added to the jar. So the more you read, the more candy in the jar, the better your chances of winning the Candy Jar!
