

Why Register for Programming?

Filling out a Registration Form allows your child to attend any of our Summer Programs and Afterschool Programs. It's intended to provide contact information to library staff, photo consent, and any relevant health information. Please note that children 5 and under must be accompanied by an adult or caregiver.

Where to Register

Registration is free and forms are available at the Circulation Desk and for print on our website. Forms must be filled out and returned before the first club attended by a child. Forms can be returned (by parent or child) to Jesse during the club or The Circulation Desk during operational hours.

WPL READ IT TO WIN IT

Come on in and join us for an amazing story and fun craft! It's a great way for kids to connect and build social and artistic skills.

Every child who participates in any of the reading club (Story and Craft French or English, Daycare Story Time, L'heure du conte) will have their name entered into a draw to win a GIFT CARD. Read at home or read in the car. Any time a child reads a book, a ballot gets added to the jar. Parents, let us know what your kids are reading at home. The more you read, the better your chances of winning! The draw will be made on Monday, August 24th @2pm!

PLEASE NOTE: There may be last minute changes to the schedule so follow us on social media for updated information!
